THRILLING

HARD TOP

Sleek and sporty design of the 350 Htc

Four-part, sliding glass doors divide the main deck

For boaters in search of the perfect sporting yacht, Galeon re-designed the 340 to offer a hard-top version, and named it the 350 HTC.

The 350's cabin is spacious and filled with natural light flowing in through its elegant glass roof. Enjoy awe-inspiring visibility due to the extra-wide front windshield. The saloon doors open to reveal an exceptionally roomy open space, while the seating

rotates to face the cockpit. With this design, you can enjoy the sea no matter the weather. Just as in the 340, you'll find one single cabin and two double cabins below deck. The toilets and washrooms have been separated to ensure maximum comfort and privacy. The saloon and cabins also offer plenty of storage space for stowing items that could shift as you take advantage of the yacht's sporty features.

A large sunroof opens automatically

An array of windows brighten the interior

350

HTC

Interior finishing options include wenge, walnut, mahogany and oak. There is a wealth of additional available options. Modern, top-of-the-line navigation equipment is also available. Choose from an array of engine units from Volvo Penta and Mercruiser Cummins, reaching up to 2 x 320 horsepower, to find the perfect fit for your needs. Enjoy the thrill of a sporting yacht in pure comfort with the Galeon 350.

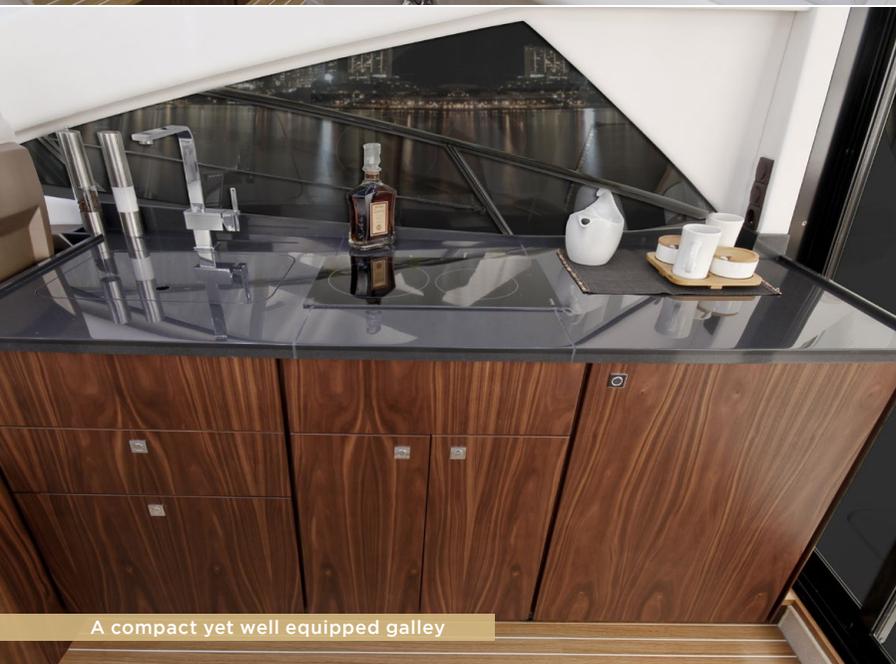

The main deck offers sufficient space and great visibility

A large dinette, helm station and galley occupy the saloon

Reversible seating lets You enjoy the cockpit

A compact yet well equipped galley

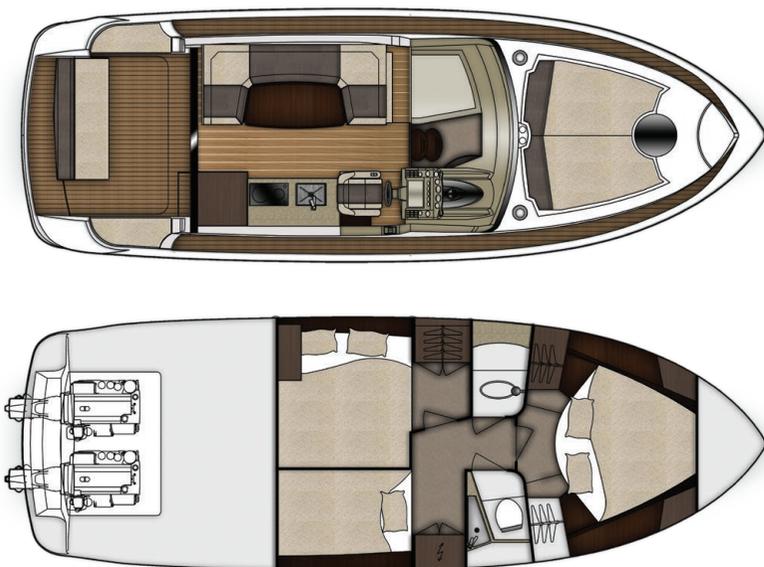

The owner's bed can be extended in length if necessary
