HTC

# SPORTY CHARACTER

---

Transformable cockpit seating allows five different layouts

A magnificent lounge for relaxing in the sun

## The 430 HTC is a twin model to the highly successful 420 FLY.

Galeon is extending and refreshing its mid-range segment with a hard-top variation of the acclaimed 420 FLY. The main focus during the design stages was to flawlessly integrate a bright and welcoming interior with the sporty and dynamic character of the 430. The forward-facing glass roof effortlessly slides back to reveal the sunny blue sky, but it is quick and easy to close when the weather changes. The single sliding panel over the cockpit

area opens the yacht up, while the patio doors allow easy access to the salon. The aft-facing loungers will slide when needed, creating either a great dining or leisure area at the stern. The main deck boasts plenty of space and features a dining table, sitting areas, a well-equipped helmsman's station and a galley (which can be moved down below). Just as with the 420, sliding bed raises the number of berths to a class-leading eight. The plethora of interior design options allow for the yacht to be fully customized.

The glass roof over the helm is retractable

Great, sporty design is backed by flawless performance

## HTC

Choose the two- or three-bedroom option down below. All of the bedrooms offer ample headroom, and the two separate bathrooms - each complete with its own shower - for optimum privacy and comfort. The 430 features a stylish, relaxing interior thanks to high-quality fabrics, luxury fittings and top-of-the-line equipment. IPS, shaft, sterndrive, Aquadrive and Axius systems are among the wide variety of propulsion options included. Bring the yacht to its full potential and take advantage of its precise handling with one of the high-power engines, or focus on comfort and fuel efficiency with others. The 430 HTC is the perfect yacht for the customer who demands comfort, sophistication, and performance.
