

# 780 CRYSTAL

# A CRYSTAL SHIP

---

A high performance luxury yacht

Great maneuverability and easy handling of the Crystal

**The Galeon 780 Crystal is more than just a flagship model – it is a showcase of engineering, design and technological prowess.**

The stunning exterior, a combined effort of the Tony Castro Naval Architects and Galeon designers, offers an abundance of space on all three decks. The clever seating arrangement on the flybridge allows for the placement of an optional Jacuzzi, comfortable sunbeds, a second steering station, as well as a wet bar, and still leaves enough room for a RIB or a personal watercraft at

the back. The cockpit offers easy access to the bar on the main deck and to the bow leisure area, which is protected by an automatic bimini system. The main deck is always bathed in sunlight thanks to the broad side windows, large sliding doors and an automatic glass panel roof. The saloon is divided into leisure and entertainment areas, while the helm station provides excellent visibility and functionality. Below, all four cabins have private in-suite bathrooms for extra comfort and privacy.

The bow area can be protected by an automatic bimini system

Crew quarters have easy access from the stern

# 780

## CRYSTAL

The owner's cabin with a double bed also holds a massage sofa and a safe for valuables. The spacious forward VIP cabin offers a variety of closets and storage spaces while both guest cabins, which are located at the sides of the yacht, have twin berths for a total of eight on the lower deck. The hull is designed with comfort in mind yet the performance of the powerful MAN engines is stellar. The captain will surely make use of the Böning integrated monitoring system, which keeps track of all the important data, while the crew will appreciate their quarters with two beds, a galley and a separate bathroom. The powerful, hydraulic stern platform comes standard and will handle any watercraft.

Bow leisure area with sundecks

Cockpit with access to the wet bar

A full-sized flybridge with optional Jacuzzi

A custom design tender - The Baby Crystal

The main deck has two distinct areas

The leisure area with comfortable sofas

The bar can also serve to the cockpit
